PCMC welcomes Bob Schuh as packaging sales leader

Green Bay, Wis. — March 30, 2016 — Paper Converting Machine Company, a leading supplier of high-performance converting machinery for the global tissue, nonwovens, package printing and envelope manufacturing industries, is pleased to announce the addition of Bob Schuh as the sales director for tissue packaging.

In his new role, Schuh will drive the product and sales strategy for PCMC's tissue packaging product line and continue to enhance the company's ongoing success in the marketplace.

"We're excited to have Bob on our team," said Mark Zastrow, vice president of sales and marketing. "His experience, expertise and demonstrated success within the tissue industry are a perfect blend to strengthen our sales team and family of packaging products."

Schuh brings nearly four decades of experience in the tissue industry to his position. Most recently, he was a sales manager for TMC. In addition to sales, his career spans positions in product development, capital procurement and project management.

Schuh will operate from the company's headquarters in Green Bay, Wis.

ABOUT PAPER CONVERTING MACHINE COMPANY (PCMC)

Paper Converting Machine Company (PCMC) specializes in the design and manufacture of high-performance converting machinery for the global tissue, nonwovens, package printing and envelope manufacturing industries. Its comprehensive product offering includes rewinding, laminating, printing, embossing, perforating and packaging equipment for tissue and towels; folding and converting machines; and a complete range of flexographic printing presses serving the flexible packaging, prime label and carton converting industries.
