PCMC names Adam Servais as aftermarket sales representative *Customers will benefit from his depth of knowledge about PCMC's flexographic products*

Adam Servais has accepted the role of Aftermarket Upgrade & Rebuild Sales Representative, Printing, Coating & Laminating for Paper Converting Machine Company.

GREEN BAY, Wis. — Aug. 6, 2018— Paper Converting Machine Company (PCMC)—a division of Barry-Wehmiller and a leading supplier of high-performance converting machinery for the tissue, nonwovens and package-printing industries worldwide—is pleased to announce that Adam Servais has accepted the position of Aftermarket Upgrade and Rebuild Sales Representative, Printing, Coating and Laminating.

In his new role, Servais will be responsible for direct sales of machine upgrades and modifications for the PCMC aftermarket PCL product line.

Servais started with PCMC in 1996 and has held various positions, including Controls Designer, Service and Construction Manager, and Senior Project Manager, all of which will serve him as he applies his varied experience and depth of knowledge to provide customers with the solutions they need.

“I’m thrilled to have Adam on our team,” said Joe Schuh, PCMC’s Director of Sales for Modifications. “His extensive expertise with the PCL product line and his existing relationships with our customers make him an exciting addition.”

Servais will operate from PCMC’s Glory Road office in Green Bay.

ABOUT PAPER CONVERTING MACHINE COMPANY (PCMC)

Paper Converting Machine Company (PCMC) specializes in the design and manufacture of high-performance converting machinery for the tissue, nonwovens and package-printing industries worldwide. Our comprehensive product offerings include rewinding, laminating, printing, embossing, perforating and packaging equipment for tissue and towels; folding and converting machines; and a complete range of flexographic printing presses and laser anilox cleaners, serving the flexible-packaging, prime-label and carton-converting industries.
