## Thiele welcomes Anthony Colquitt as Latin American Sales Director

MINNEAPOLIS, Minn. (USA) — Oct. 10, 2016 — [Thiele Technologies, Inc.](http://ThieleTechnologies.com), a Barry-Wehmiller company, is pleased to welcome Anthony Colquitt as Latin American Sales Director. While the company has historically done business in this region, Thiele created the new position in response to the growing global demand for packaging automation and its expanding footprint in Latin America. Additional support throughout the region will ensure an increased focus and presence for both new and existing customers.

Colquitt brings 10 years of packaging and business development experience in the Latin American market to Thiele Technologies and intends to help to build a strong sales, service and support structure throughout the region.

“We are excited to have Tony on the Thiele team. His vibrant personality, unique talents and valuable years of experience are a tremendous asset as we build an even stronger support structure for this important part of our clientele,” said Kip Boie, Vice President of Marketing & Sales.
